

# 2017 Asia-Pacific International Symposium on Electromagnetic Compatibility

June 20-23

The Commons, Yonsei University, Seoul, Korea

## CALL FOR PAPERS

The 2017 Asia-Pacific International EMC Symposium will be held in **The Commons, Yonsei University, Seoul, Republic of Korea, from June 20 to 23, 2017**.

The symposium aims to share recent advances in all aspects of EMC in the Asia-Pacific region, to respond the EMC requirements for all rising technologies, and to closely link up the international EMC community. The symposium will cover the entire scope of electromagnetic compatibility, electromagnetic environment, signal/power integrity issues and will feature EMC in emerging technologies. In addition, it will offer a rich technical program of highest quality, lectures presented by distinguished speakers from all over the world, and a broad exchange platform for both academia and industry. We wish to invite all prospective authors and experts to submit original papers on their latest research. We also encourage the proposals for the special sessions, workshop, tutorial and exhibition. The webpage (<http://www.apemc2017.org>) for the conference will be available in July, 2016. For further information, please send your inquiry to [secretariat@apemc2017.org](mailto:secretariat@apemc2017.org)

<b>Deadline for Special Session Submission</b>	<b>November 1, 2016</b>
<b>Deadline for Regular Paper Submission</b>	<b>December 16, 2016</b>
<b>Acceptance Notice</b>	<b>February 1, 2017</b>

## TOPICS

- EMC Measurement and Instrumentation
- Electromagnetic Environment
- Transient EMC
- Power System EMC and Smart Grid
- System Level EMC and Protection
- Transportation EMC
- Antenna and Wave propagation
- EMC in Nanotechnology and Advanced Materials
- Aerospace EMC
- Electronic Packaging EMC
- Integrated Circuit EMC
- Signal Integrity and Power Integrity
- Wireless Communication EMC
- Computational Electromagnetics
- Biomedical Electromagnetics
- Wireless Power Transfer
- Others
